

Don Williams *Harmony* April 1976

By the time *Harmony* was released on ABC/Dot Records on April 5, 1976, well-known artists including Eric Clapton and Pete Townsend were singing Don Williams' praises, as well as covering his songs. *Harmony* is the only album by Williams to reach number one on the Top Country Albums chart. Two singles from *Harmony*, "Till The Rivers All Run Dry," and "Say it Again," reached number one on the charts, while "She Never Knew Me" peaked at number two. The album was recorded at Jack Clement's recording studios in Nashville, Tennessee, and remains one of Williams most commercially and artistically successful albums to date.
