

## Don Williams *Expressions* August, 1978

On August 23, 1978, ABC/Dot Records released what was to become its seventh and final album with Don Williams. *Expressions* was recorded at Jack Clement's studio in Nashville, with Don Williams and Garth Fundis producing. It is fitting that this last album with ABC/Dot is a summation of all the albums leading up to it, as Don Williams once again prove that there is no other voice like his. With two number one hits, "Tulsa Time" and "It Must be Love" respectively, and another track, "Lay Down Beside Me" charting at number three, *Expressions* is a testament to the remarkable talent of this true artist.
