

Don Williams *My Heart to You* April, 2004

Don Williams released his next album, My Heart to You, on April 27, 2004. Produced exclusively on CD, the album was released on Intersound Records, introducing Williams' signature, mellow style to a new generation of music fans. Williams' rich honeyed tone is unwaveringly solid and familiar, amidst a rapidly changing world. My Heart to You is a collection of eleven songs, six of which are co-written or written by Williams. The album also delivers a stirring rendition of "The Rose," as well as Eric Clapton's "Wonderful Tonight."
